

FROM OUR PRESIDENT**God Speaks...am I listening?****Matthew 7:24-27 CSB**

The Two Foundations

"Therefore, everyone who hears these words of mine and acts on them will be like a wise man who built his house on the rock. The rain fell, the rivers rose, and the winds blew and pounded that house. Yet it didn't collapse, because its foundation was on the rock. But everyone who hears these words of mine and doesn't act on them will be like a foolish man who built his house on the sand. 27 The rain fell, the rivers rose, the winds blew and pounded that house, and it collapsed. It collapsed with a great crash."

It's funny how God speaks to us. Sometimes it is subtle, like a wispy wind. Other times it's like a rock through a window! I began this year as I have the past few years, joining my Church (The Bridge on Hwy 41 in Byron) in 21 Days of Prayer and Fasting. But this year I added daily Bible reading quiet time. This week, I have read this same scripture passage three times ~ in my daily devotion, in a staff devotion exercise, and in an article about a sandcastle sculpture on St. Simons Island which I was reading on the advice of my friend Cathy Ivey as a possible conference speaker.

The one thing that keeps popping out of this scripture is it's similarity to the children's nursery rhyme of the 3 Little Pigs. Now you might be thinking, LouAnn you have lost your mind! Well, that could be, but hear me out!

You know the story...each pig builds a house. One of straw, one of sticks and one of brick and then the wolf comes along, blows down

the houses made of straw and sticks, but he can't blow down the brick house. And we all know why...it's brick! Strong in construction, not easily moved, secure. Just like God.

Which led me back to the scripture. And of course the question of what am I building my life on? Do I look to the latest and greatest _____ (you fill in the blank)? Or do I look to God and His word? Do I spend my time on social media or reading tabloid magazines and comparing myself to "stars"? Or do I open my Bible and compare my life to what God says it can and should be?

The author of the 3 Little Pigs is unknown. I believe that person was a person of faith, that they built their life on His word...where else would that rhyme have come from? What are you building your life on?

With HIS Grace,

LouAnn

PROFESSIONAL ADMINISTRATORS OF THE UNITED METHODIST CONNECTIONAL STRUCTURE

Online Certification

The General Council on Finance and Administration of The United Methodist Church sponsors an online certification institute. The Institute provides outstanding advanced professional training and enrichment for United Methodist church administrators.

Who should attend?

All United Methodist church administrators, administrative assistants, general agency office personnel, episcopal, district and annual conference office personnel are encouraged to enroll.

Certification eligibility

Membership in National PAUMCS is required to enroll in the course (annual dues \$50). To become a member, please contact Renee Farrar at centralsouth@ngumc.net. Or for more information on becoming a national member, or go to www.paumcs.org.

How will you and your church or organization benefit?

The Online PAUMCS Institute is designed to stimulate professional growth and development of each individual. Participants are introduced to business concepts required for understanding the financial operations of the church as well as relationships with the pastor, church employees and members of the congregation.

The experience of learning with local church administrators and networking with others in similar office settings provides a broader understanding of the connectional United Methodist church. Church administrators learn the functions of district, conference, agency and episcopal offices, while these various office personnel learn about the many responsibilities of a local church secretary. It is a place to see how all members of the church body are in ministry together.

Why become certified?

Certification recognizes your accomplishment of successfully completing professional training. It enhances your position as a true professional and stimulates the need for continuing education to augment your ministry in the church.

How do I register?
